

BENDIGO DISTRICT R.S.L.

PRESIDENT'S REPORT

Dear Members and Families of Bendigo District RSL Sub-Branch Inc,

I trust this report finds you in good health and high spirits. The recent reporting period has been a busy one, filled with numerous opportunities that we have embraced, planned, and are currently considering.

From the outset, I emphasised my primary objective of enhancing the welfare and wellbeing of our veterans. We are making significant progress in this direction, understanding that this is a continuous journey rather than a fixed destination.

Our Sub-Branch has been deeply involved in various areas within our community. We've taken concrete steps to provide support where it's needed the most. We have continued to offer emergency shelter, distributed food packages, and established referral networks to make a real difference in the lives of veterans.

In terms of outreach and engagement, our efforts have been extensive. Our new Welfare Coordinator, Pete French, has seamlessly integrated into our organisation and is actively reaching out to veterans across the community. Pete's dedication has already led to stronger lines of communication and engagement with veterans, supported by our Welfare Committee. Welcome aboard Pete and thank you for the meaningful work you've undertaken so far.

Vicki Fox, our Health and Wellbeing Coordinator, has been instrumental in reviewing and enhancing our welfare and support programs. Through collaborations with various organisations including Thales, Open Arms, RSL Vic, DVA, CVVSC, and community partners, we've been able to expand the range of opportunities available. Our Health and Wellbeing newsletter supplement offers comprehensive assistance options in the realm of health support.

PRESIDENT'S REPORT

Despite the unfortunate cancellation of an event featuring Minister for Veterans Natalie Sulyman MLA, we continue to push for advocacy and recognition for our veterans. We are eagerly anticipating future opportunities to support dialogue and strengthen our ties within the veteran community.

Our participation in the Annual State Conference allowed us to contribute and bring back message of meaningful impact at both State and National RSL levels.

Community Engagement remains a cornerstone of our efforts. Our organisation's role as a beacon of support and advocacy is particularly evident during recent commemorative events.

Notably, Corporal Arthur Gleeson, who served in WW2, received a dignified graveside service that reflected the respect and loyalty we hold for our veterans.

Our participation in various events like trivia nights, Central Victorian Veterans events, motor racing, and sponsoring the Be. Bendigo Award for Volunteer of the Year further reinforces our presence within the community.

The active involvement and development of our members continue to be vital to our Sub Branch's success. Our engagement by the Bendigo Military Museum has been particularly impactful, engaging individuals of all ages and backgrounds. The museum fosters conversations and connections, bridging the gap between those who have served and the wider community. We welcome Lena Morrison-van Velsen, our new Museum Curator. We look forward to Lena supporting our Museum and bringing more innovative ideas of exhibiting our proud history.

Our Sheds Program stands as another successful example of engaging veterans in meaningful activities. The camaraderie and goodwill that this program generates truly warms my heart.

In conclusion, I would like to thank all staff and volunteers of the Sub-Branch for their great work. I remain dedicated to tirelessly working towards the betterment of our veterans and the broader community. Together, we are making a profound impact, ensuring that our RSL Sub- Branch remains a steadfast source of support and advocacy.

Thank you for your ongoing trust and support. I look forward to continuing our collaboration to create a positive difference in the lives of our veterans and their families.

Yours sincerely,

Glenn Ludeman
President Bendigo District RSL Inc.

VETERAN SUPPORT- WELFARE

Welcome

In taking up the Military Welfare Advocate position at BDRSL Pete French draws upon close to four decades of privileged connection with people at the often-challenging point of the human experience.

Pete trained Lifeline's volunteer telephone counsellors for many years, and is a 30 year activist in the family violence sector.

He has a long history of advocacy in men's health and wellbeing, and has delivered training and reflective workshops for many years in trauma-informed practice, suicide, and mental health wellbeing and support.

In his spare time he has an interest in sustainable Agroforestry, reinterprets Pink Floyd as Country & Western on slide guitar, utilises his chainsaw as personal therapy, and has a long-standing ambition to be a bad influence upon his three grandchildren.

COMMEMORATIVE ACTIVITIES

NATIONAL PEACEKEEPERS DAY

On 14th September each year, we observe National Peacekeepers' Day. It's the anniversary of the day Australia became the world's first peacekeepers to deploy into the field, in the Netherlands East Indies (now Indonesia) in 1947.

A small service was held in the memorial garden led by Dale Hodges, with prayers from the Salvation Army's Captain Cameron Lovering and guest speaker Jonathan Crust recounting some of his time as a peacekeeper.

Since 1947, tens of thousands of Australians have served as members of a peacekeeping force and 16 have lost their lives. This day is a time for us to recognise and remember their service and sacrifice.

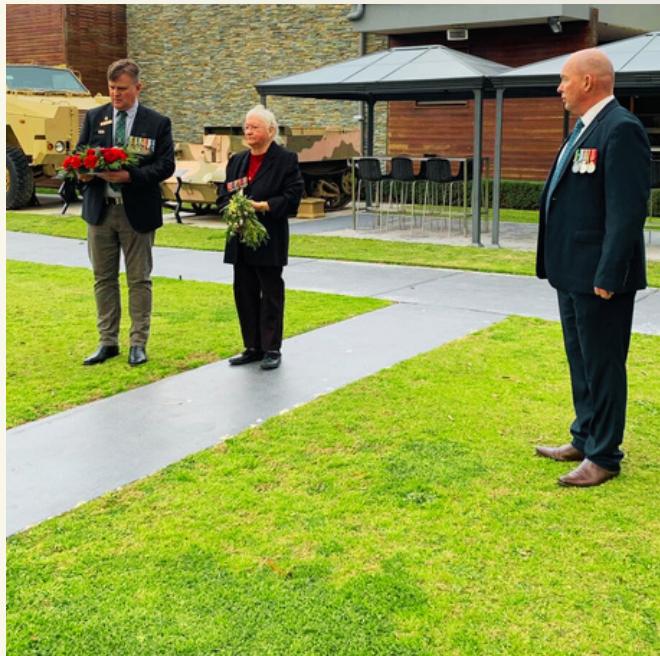

COMMEMORATIVE ACTIVITIES

Malaya and Borneo Veterans Day

On 31st August we commemorated Malaya and Borneo Veterans Day.

We honour the service and sacrifice of Australian military personnel who served in the Malayan Emergency and the Indonesian Confrontation.

On this day, we remember the Australians who lost their lives in these campaigns, and reflect on the sacrifices they made for our futures.

Korea

The 27th of July 2023 was the 70th Anniversary of the end of the Korean war. We remember those who fought and served. On this day we stop and give thanks to the bravery and commitment of our Australian forces.

A wreath laying ceremony was held in the memorial garden to honour their memory.

27th July 1953, 3 years.

18,059 Australians.

339 KIA.

1,216 wounded; the Armistice was signed.

VETERAN SUPPORT- WEALFARE

Summary:

1. The current incumbent commenced in the position of Military Welfare Advocate on 31st of July 2023. The previous incumbent departed in February, and for all intents and purposes the position was unfilled.
2. Direct contact has been initiated with agencies and individuals identified through previous email correspondence and further interaction has been sought and requested to facilitate veteran's support.
3. Attended and workshopped the 9th of August 2023 Central Victorian Veterans Network held onsite at BDRSL. This provided an excellent introduction to most of the veteran services and affiliates within the Bendigo area.
4. Have directly responded to 17 requests for support and information / referral.
5. Attended at the Heathcote Military Black Tie Ball on Saturday 12th of August.
6. Attended BE Bendigo Community Business Awards.

Current Pursuits:

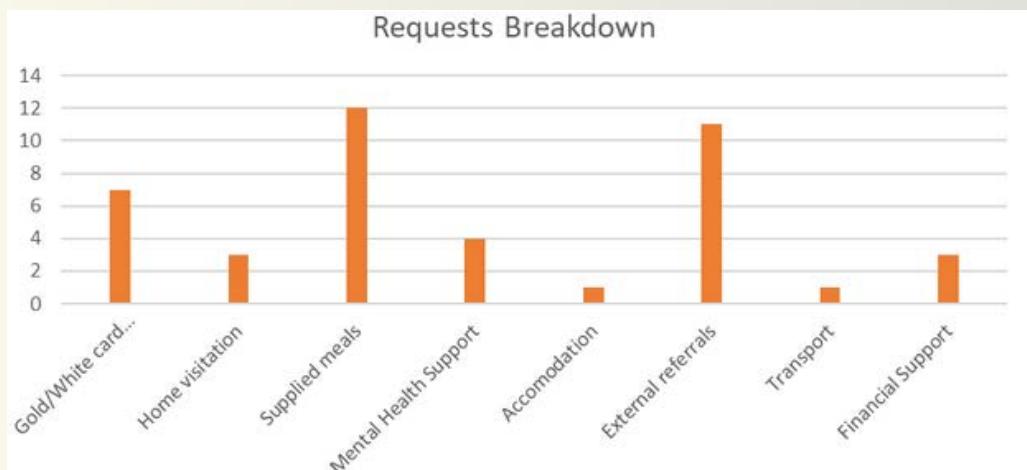

1. Positioning the Military Welfare Advocate within a more visible but discrete presence closer to the shed site.
2. Utilising a major resource such as Legacy to consider a more central and discrete presence within their offices.
3. Proactive outreach to “hidden Vets” in the community.
4. Identifying and contacting key players to consider utilising further the range of skills and desire to be involved in worthwhile endeavours for Veteran welfare and wellbeing.

Direct networking contact with:

- Bendigo Connect;
- Legacy;
- Helping Heroes;
- Thales Veteran's Committee;
- Veteran's Lounge;
- Central Victorian Veteran's Support Centre;
- RSL Vic.
- Open Arms Vic.

VETERAN SUPPORT- WEALFAR

In excess of **\$54,000** was distributed through welfare during the month of August. This was allocated over a large range of services including groceries, repairs, accommodation, fuel etc.

Conclusion:

A considerable component of the position is direct contact, outreach and referral. As more contact is made through the veteran's and member's community, and greater awareness of the program and its brief is made salient, it is anticipated that requests for support will rise significantly.

BENDIGO MILITARY MUSEUM

The Bendigo Military Museum continues its efforts to preserve and showcase the rich military history of our region. The subcommittee and volunteers are focused on enhancing museum exhibits, engaging with the community, and planning for future initiatives.

The 38th Bn 1st AIF Exhibition continues in the new wing and will be there until the end of the year. If you haven't visited yet and seen it, it is strongly recommended you do. Our new curator Lena is actively planning the 2024 exhibition schedule. Our cataloguing team continues to do great work in cataloguing all BDRSL Sub-Branch memorabilia on the Victorian Collections Database. They have catalogued 6641 items as of 6th Sept 2023 which is a great effort. Anyone can view this collection online at www.victoriantollections.net.au. Simply key in Bendigo Military Museum into the "search" and it will display our entries.

We have hosted several visitor groups since the last newsletter which mainly consisted of school groups keen to learn more about Bendigo's military history. We will be involved in Seniors Week 1st – 8th October and are actively working with the organisers of that event. We are also engaging academia (La Trobe, Melbourne & Deakin Universities) to get interested students to assist us with our museum work including marketing and promotion. It is hoped they will be able to earn credits towards their degree by helping us out.

We are also working with our Historian, Mr Murray Poustie, on the production of a new Honour Board to be displayed in the Havilah Road premises. It will list Office Bearers from 1916 to current day and will include both the Bendigo and Bendigo District RSL Sub-Branhes. It is hoped this will be completed by years end.

As always, we can't do anything without our band of dedicated volunteers, and we truly appreciate their efforts and selflessness. That said, it is a small group and we are looking for new volunteers, particularly anyone willing to assist as Museum Guides. If you are interested, and have a couple of spare hours on the weekend, please feel free to contact us via email at museum@bendigorsl.com.au or call the museum on 5442 4513 on Wednesdays between 10.00am and 2.00pm.

APPEALS

Executive Summary:

This report provides an overview of the fundraising activities, achievements, and outcomes of the Bendigo District RSL Sub-Branch Appeals Sub Committee during the July to September 2023 reporting period.

Fundraising Summary:

As I had the very great pleasure of reporting at the June meeting, we managed to raise just on \$97,000 during the 2023 ANZAC Appeal. As you would expect, no fundraising has been conducted in the last three months, instead we're gearing-up for the 2023 Poppy Appeal.

Future Appeals Planning:

The focus of the Appeals team is now fully on making the 2023 Poppy Appeal our best ever.

The key dates for the Appeal are:

- Set-Up Working Bee – 10:00am Mon 30 October 2023
- Distribute Honesty Boxes to Schools and Businesses – Afternoon Mon 30 October 2023 and Tue 31 October 2023.
- Selling at Bendigo Cup (permission pending) – Wed 01 November 2023.
- 4. Selling at usual Selling Locations – Thu 02 November – Sat 11 November 2023 (inclusive).
- 5. Collect Honesty Boxes from Schools and Businesses – Mon 13 November 2023.
- 6. Closure Working Bee – 10:00am Mon 13 November 2023.
- 7. ‘Appeals Washup Meeting’-5:30pm Mon 20 November 2023 at Kokoda Boardroom.
- 8. Reporting of Appeal outcomes and issue of thankyou letters – NLT Friday 24th November 2023.

As always, we'd be very grateful for any of you who can help with this Poppy Appeal - whether it be to help with the set-up and close working bees at the Vietnam Veterans' Shed; selling badges at our various selling locations around town or distributing/collecting the honesty boxes we place in schools and businesses in the area. If you're a regular Volunteer and haven't heard from myself or one of the team by late October, don't be bashful, please give the front office or me a call and we'll fix what has obviously been a silly oversight.

Conclusion:

The fundraising efforts of the Bendigo District RSL Sub-Branch Appeals reflect our dedication to supporting meaningful causes that benefit veterans and our community. We remain committed to transparency and responsible stewardship of the funds entrusted to us.

Doin' Time

The 17th July marked 18 years of service here at the Bendigo RSL for Ken Butler. Ken is an absolute rock behind the scenes and looks after everything maintenance here at the Bendigo RSL. Congratulations Ken, and thank you for your hard work over MANY years.

Speaking of rocks. On 11th October Graeme will click over 20 years service for the Bendigo RSL. He started as a casual bar tender and has risen through the ranks to be one of the mainstays here at the club.

This young bloke will tick over 12 years on the 26th September. Notes on his original application read "this young kid turned up looking for work" Well he turned up and he stayed. Thank you Spooky for all the things you do. Congratulations on 12 years.
